

PORTAL 24" PENDANT
PHASIC GLASS
HAZY BRASS

HERSH DESIGN

PORTAL PENDANT

DESCRIPTION

Uses central LEDs to highlight the resonating texture of a formidable hand-cast 24" diameter glass disk. Two slender brass stems connect to the matching canopy. Glass is shown in the PHASIC texture. Other patterns soon.

FINISH

Brushed Brass, Hazy Brass, Antique Brushed Brass, Black Brass, Brushed Nickel.

ELECTRICAL

2700K 95+ CRI LED, Dimmable Drivers (ELV)
120V Input
3000K 95+ CRI LEDs optional.
24": 20W 900 lumen

MOUNTING / CANOPIES

Integral 120V driver works best with ELV dimmers. Mounts to a 4" round jbox or 3" round mud ring (#8s at 2.75"). Additional screws into blocking required for stability. Weighs 35 lbs. Stems can be field cut down from 6 feet typical.
